# RALLYE SANREMO

CAMPIONATO DEL MONDO RALLYES

The Sanremo Rally, as the World Rally Championship heads into 1994, remains one of the most unique and technically demanding events on the calendar - with part 1 hosted on the unforgettable gravel stages in and around the Tuscany region.

The Tuscan gravel sections are fast, dusty, and unforgiving, cutting through forests and rolling hills with loose surfaces that evolve rapidly as cars carve deep ruts into the stages.

Between 1987 and 1993, Sanremo has become a rally that rewards versatility above all else. As the 1994 season begins, it remains one of the championship's purest all-round tests, where only the most complete drivers can conquer both the coast and the Tuscan dust.

Sanremo Rally Winners (1987-1993):

- 1987 – Miki Biasion (Lancia Delta HF 4WD)
- 1988 – Miki Biasion (Lancia Delta Integrale)
- 1989 – Didier Auriol (Lancia Delta Integrale)
- 1990 – Didier Auriol (Lancia Delta Integrale 16V)
- 1991 – Didier Auriol (Lancia Delta Integrale 16V)
- 1992 – Didier Auriol (Lancia Delta HF Integrale)
- 1993 – Didier Auriol (Toyota Celica Turbo 4WD)
